Dear Minister Zhao:

We have so far been unable to schedule a meeting to follow Ambassador Zhu's meeting with Under Secretary Bartholomew on nonproliferation issues. I have therefore enclosed material that provides more detailed information on some of the issues the Under Secretary raised with Ambassador Zhu on March 7, particularly with respect to new legislation that affects U.S. nonproliferation policy on a global basis.

I will also send this material to Beijing to be delivered to the Ministry of Foreign Affairs through our Embassy. If either you or your colleagues in Beijing have any questions at all on the material enclosed, we would be pleased to provide further information or clarification.

Please do not hesitate to call on me if there is any way I can be of assistance.

Sincerely,

*Desaix Anderson* (for)
